

Upper 2 get ready for Christmas

Following on from the wonderful EYFS and KS1 Nativities last week, Upper 2 delighted all in a beautiful array of Christmas jumpers on Friday. We got together to practice for the Carol service and enchanted the rest of KS2 with our angelic voices and perfect posture.

We then we came together to celebrate with a heart-warming Christmas-themed lunch. This was a delightful occasion, filled with delicious treats and the buzz of chatter and laughter, showcasing the sense of community that makes Gateways so special. It served as a perfect prelude to the holiday season, reminding us of the importance of coming together and cherishing the moments of joy and connection during this special time of year.

As we look forward to the end of our first term, the festive spirit within Upper 2 continues to shine bright, spreading joy and goodwill to all.

Mr Mike Arnold and Mr Matt Chandler
