

Kings and queens

Lower 1 have been really enjoying their new humanities topic 'Kings and Queens'. We have been delving into our monarchy's past, finding out more about past monarchs and what some of them are best known for.

The children have been creating their own timelines starting with William the Conqueror and finishing with our current monarch, King Charles III. We have found out more about King Charles III's jobs, his palaces and the royal family.

Miss Beth Adamson and Miss Charlotte James
