

Lower 3 Mandarin - Who is he?

This week in our Lower 3 Mandarin lesson, we revised the topic 'Who is he?'. Each pupil chose a character card, another pupil read out a sentence, and the pupils holding those characters got together in a huddle and then shouted out the sentence.

Lower 3 have also played some Mandarin crossword and computer games during the lesson to ensure that the content is fully understood.

The pupils really enjoyed these activities, and are confident in being able to retain the knowledge in this topic.
