

Sports Report w/c 8th January 2024

The Spring Term begins

With the new calendar comes a switch in sports. The girls move to netball and the Upper 2 & Lower 3 groups had their first after school practice with Miss Preston and Mr Holmes as we look to hit the courts running.

PE lessons have seen the pupils show resilience in the outdoor sessions as we covered a range of sports to keep the pupils active and raising their skill levels as they raised a smile.

The boys have switched to football with Miss Nichol using her football expertise to good effect in the sports hall practice on Thursday.

Mr Phil Holmes
