

## Upper 3 Spanish compete in their revision games

In Upper 3 Spanish lessons this week, pupils have spent some lesson time revising the vocabulary from our current topic: 'My Free Time'. Pupils thoroughly enjoyed competing against their friends in revision games on the Quizlet and Blooket websites.

Within the 'My Free Time' topic, we have learned to be able to talk about a range of different activities and hobbies. We have revised time phrases and how to express opinions and give reasons for them. We have learned how to say which activities that we like to do during different weather conditions.

Next week, pupils will be completing assessments on this latest topic. They will be assessed on their reading, speaking and translation skills. There will also be some grammar questions to test their knowledge of verb endings in the present tense. I wish them the best of luck!
