GATEWAYS  
SCHOOL

### Winter weather in the Gatehouse

We love the winter weather in nursery! As well as continuing to practise our manners, kind hands and hand washing, we sang songs, read stories and talked about snow, cold, wind, clouds, rain and sun. We decorated glittery snow flakes, painted polar bear foot prints, and created our own unique snowmen dressed in different fabric scarves! We used lots of different shades of winter blue in our mark making, playdough work and Duplo construction. We've seen lots of exciting weather this week...let's see if we get any more snow!

Have a lovely weekend everyone.
