

Elle joins Ultimate Frisbee GB team

Last month we had the exciting news that three of our pupils had made the GB Junior Women's Ultimate Frisbee squads. I am now delighted to announce that Elle Johnson (Lower 6) will also be joining the U20s team this summer. We had to wait a little longer for this news, due to Elle feeling ill at the time of the second trial, but it has been worth the wait for her.

Elle is a wonderful player and a great role model for our younger team members. She has been a fast cutter and defensive player during all of her time playing and I gave up thinking I could mark her a while ago!

I am sure that she will provide GB with a great option going long and work hard to win possession. Last time the GB U17s team toured abroad, Elle scored the opening goal against the hosts, Poland, in a game GB narrowly won. I look forward to seeing her bring more of the same this summer.

Mr Joshua Crosby
