U4 & L5 Girls House Netball

The Upper 4 & Lower 5 girls started this half term playing house netball. They separated into A and B teams and self-selected their positions within their house groups. Each group played 15 minute matches against the other two houses and scores were submitted to Mr Reeves to contribute to the house trophy. All girls played competitively showing they wanted to win points for their house. The overall results from both groups were as follows :

- 1st Beningbrough - 18 points
- 2nd Harewood - 10 points
- 3rd Newby - 3 points

Senior Boys Hockey v Ashville

Ashville 2nds 0 – 0 Gateways

This was a closely fought game which, had it been a boxing match, we may have won on points! Jamie and Tom controlled play at the back and were able to feed Alfie R-N and allow us to build some attacking pressure ourselves.

The game ebbed and flowed without either side making many clear-cut chances. Gateways did put Ashville's defence to the test with 3 short corners near the end of the match but couldn't engineer an obvious sight at goal, with Alfie H unable to convert a shot from the top of the D near the end.

This was a good showing from our team, all of whom were in Lower or Upper 5, against a largely Sixth Form opponent.

U12 & U13 Netball vs St Aidans

The Upper 3s initially took some time to find their rhythm, however they quickly adapted to the speed of the game and after the first quarter settled down to demonstrate a more strategic approach. Elise and Sophie G showcased exceptional defensive prowess, while Amelia worked hard to drive forward in the circle and as the game unfolded this proved a very effective way of play, which result in scoring some goals. St Aidans were victorious with a final score of 13-6, with Elise rightfully named player of the match for her stellar performance.

GATEWAYS
SCHOOL

Meanwhile, the Lower 4s faced a formidable St Aidans squad, maintaining unwavering focus and relentless determination throughout. Remarkable synergy between Lola, Sophia, and Ria facilitated seamless transitions, with Ria and Lola's composed execution in some pivotal shots in the final quarter. Caitlyn's well-timed interceptions, contributed significantly to the team's performance. The match concluded in a hard-fought 15-15 draw, with Sophia earning the title of player of the match. Congratulations to all on a commendable team effort.

Mrs Hannah Nichol
