

### Pre-Reception share the love

In Pre-Reception we have been learning all about the celebration Valentine's Day. We looked at the meaning of Valentine's Day and the children spoke about someone that they love. As our focus activity, each child has had the chance to create a Valentine's collage for a loved one.

To end the week, Pre-Reception whipped up some delicious pancakes after discussions in the classroom about pancake day – such a yummy treat!

Have a lovely weekend.
