

Budding authors in Lower 1

Lower 1 have been busy crafting their very own magical adventures! We have taken time to plan our own stories, after being inspired by many of the books we have been reading. Each story is filled with brilliant adjectives, captivating settings, lovable characters and exciting plots! The children's stories are now showcased in our classrooms and they are a joy for all our visitors to enjoy. We couldn't be prouder of our fantastic authors.

Keep up the incredible work, everyone!
