### Leeds Schools Netball League Results Seniors – WINNERS U13 – RUNNERS UP

After two whole terms of netball fixtures, the results are in! The Senior netball team have finished as winners in their division 1 league and the U13 netball team have finished as runners up in their division 1 league. All the girls have worked hard on improving their netball ability and have worked well as a team to always play their best. There have been a number of challenging games where the girls have had to adapt their plan and some players playing out of position, however this has helped each individual grow and has kept the enjoyment at a high. Throughout the fixtures, the girls have listened carefully to advice and support given and have always had a focus on improving.

All the teams have been a pleasure to take on netball fixtures this academic year and I look forward to continuing to watch their netball grow as a team and supporting them individually to improve their skills and performances.

Thank you for all your hard work and commitment! Well done on a fantastic year of netball!

Miss Jade Preston

## U16 Boys Basketball v Allerton High School

Facing a challenge with several team members away on school trips, the Under 16 boys showed determination as they took on the strong Allerton High team. Despite their reduced numbers, the Gateways players fought hard and managed to close the point gap against their opponents in the first half of the game. However, despite their efforts, they were unable to secure a victory, with Allerton emerging as the winners with a final score of 65-29. Nevertheless, the Gateways team's resilience and teamwork were commendable, earning them respect despite the outcome.
