

Sports Report 04/03/2024

Upper 4 House Ultimate Frisbee

The first match was between Beningbrough and Harewood. Both teams had experienced players and willing novices, and it was an extremely entertaining and close game. No team ever pulled away by a margin of two goals and both teams led at various points. Harewood had an early lead and their quick passing game helped them cut through the opposition's defence and convert goals more quickly. Beningbrough, however, grew into the game with their more experienced players moving the disc about in a calm manner. Keira commanded well at the back and looked for cuts from Ella and Ruby, who scored the goal of the tournament, catching an overhead throw in the endzone. With the game tied 5-5, it was Beningbrough who pulled ahead at the end to win by a single goal.

MVP – Keira (Beningbrough)

MIP – Ruby (Beningbrough)

Beningbrough then went on to play Newby. Beningbrough had a great deal more players in their squad and they were fresher throughout the game. They pulled away to an early lead, regaining possession through defensive blocks from the likes of Jack. Newby had much better luck with their more experienced players on the disc, such as Sadie, and gained a consolation goal before Beningbrough claimed victory in the game and tournament.

MVP – Ella (Beningbrough)

MIP – Jack (Beningbrough)

Of course, Harewood and Newby had plenty to play for in terms of points for their houses. The game started slower, and it took both teams time to score. It was very even for the first four points, both teams leading at times. Again, Newby's smaller squad meant they tired, but they should be greatly admired for sticking with it and keeping the game tight. But when Harewood opened up their first lead at 3-2 they kept it for the duration. Great individual goals

High School & Sixth Form

GATEWAYS
SCHOOL

were put in for both teams, such as by Rocco and Charlie, but Eloise became the comfortable top scorer of the game.

MVP – Eloise (Harewood)

MIP – Rocco (Harewood)

The results for 'spirit', which is greatly valued in Ultimate Frisbee (a uniquely self-officiated sport) were:

1st – Beningbrough

2nd – Newby

3rd - Harewood

Thanks to everyone and we will look forward to letting some of the younger pupils in High School have a chance to shine next term.

Mr Joshua Crosby
