

Lower 1 meet the ducklings

Lower 1 really enjoyed their visit to Little Gates to meet our new furry friends. The children were so egg-cited to hear that the ducklings had hatched and couldn't wait to meet them.

Everyone had to be very gentle and quiet, as the ducklings were only one day old! The children stroked them and a few lucky ones managed to hold them too. Before we left, we let the ducklings have a little dip in the water, although they didn't seem very keen on having a swim as they splashed us all when they jumped back out!
