

Lower 3 start their new topic

Last week in Spanish lessons, Lower 3 started their new topic: 'My Town'. So far, we have learned how to say and spell a number of different places that towns can have in them, like supermarkets, swimming pools and museums. We have practised being able to communicate and understand which places there are and aren't in different towns and cities.

This week in our lessons, we went onto learn how to express information about the different types of homes that people live in and the types of areas that these homes can be located.

So far on this topic, pupils have particularly enjoyed taking part in paired speaking games and also designing, drawing and writing about their imaginary towns.
