

Lower 5 have a boxing match

This week, both classes of Lower 5 RS have been having a boxing match in their lesson: debate boxing!

Both teams were given time to prepare their arguments in response to the debate motion: 'The UK should give up their nuclear weapons programme'. They then entered the ring for timed rounds, some in small groups, others for 1 vs 1s. The 'punches' were scored by tallying up the quality of the arguments made. After each round, the fighters returned to their corners to reflect with their teams and prepare for the next round. All pupils engaged brilliantly with the 'fight' and made for two excellent debates - well done to all involved.

Mr Daniel Reeves
