Tuesday 19th March 2024

U9 Football @ Bronte House Festival

A Team W 2 D 1 L1

Gateways A team were excited to play in their last tournament of the season for football. We started off against a strong Ghyll Royd B team. For a long period of play, both teams had chances, but the goal keepers were pulling off some wonderful saves on both sides. A moment of inspiration saw Jacob drift from the left into the centre and drill the ball through the keeper. Gateways won the match 1-0.

Next up was Bronte B. We took the lead from some super Henry dribbling but couldn't hold off the relentless attacks, conceding late on to finish the game with a 1-1 draw. After that, we played Bronte A. With no rest or substitutes, we started to get tired and couldn't match their pace. They scored four goals quickly, the boys rallied though and got a late goal back, losing 4-1.

Our final match was against Brackenfield B. After a quick drink of water and a little rest we were ready to go. We dominated the game throughout with Harrison, Freddie, Henry and Rory all scoring goals. What a way to finish, Gateways 4 and Brackenfield B 0.

Thank you to all out parents that have supported us this season. We hope you have enjoyed it as much as we have.

Mr Mike Arnold

B Team W 1 D 1 L 2

The B team participated in their final competitive football tournament of the season at Bronte House School on a sunlit afternoon. The boys played four enthralling matches. Their first was against Ghyll Royd B team, resulting in a commanding 3-0 victory with two goals credited to Oliver and one to Liam. Next up were a strong Ghyll Royd A team, our boys succumbing to a 2-0 defeat against their robust opponents. The third match proved to be a challenge against Moorlands, who were physical and skilful. Despite their valiant efforts, the B team fell short, with a 0-3 scoreline. The tournament culminated in a hard-fought contest against Bronte, ending in a very fair scoreless draw. Throughout the afternoon, the boys were a credit to Gateways and have shown great improvement since the start of the season.

Mrs Hannah Nichol

Tuesday 19th March 2024 U9 Netball v Richmond House

23 girls in Upper 1 and Lower 2 had an enjoyable afternoon at Richmond House. It was their final opportunity to improve their skills through a competitive game. The girls worked incredibly hard as a team to limit the opposition and in defence, they regularly got tips and turnovers to reduce the oppositions score.

As the games progressed, the girls recognised the importance of moving into space and having strong passes in attack to ensure the opposition were not able to intercept the ball. It was

challenging to keep moving towards the ball and away from the defenders, but the girls continued to try different things to have increased success.

One of the most pleasing aspects of the game, was how the girls continuously encouraged and supported each other during the matches. At each quarter time, they had an opportunity to rotate around positions which helped increase their knowledge and understanding of a range of positions.

The afternoon highlighted how far the girls have progressed from the start of term, as some of the girls had never played netball before and didn't know where the positions were allowed to go or the job of that position. I am very proud of the girls' achievements during this term and I look forward to seeing this develop over the coming years.

Miss Jade Preston
