

## Spring art competition

The time has come again to celebrate the Prep School Spring art competition, where all children from Transition to Lower 3 were invited to create a painting, sculpture, photograph or drawing of anything that linked to the theme, 'Water'. It was absolutely incredible to see so many of our children entering the competition and almost impossible to choose winners.

Thank you to every child who entered, I hope you all enjoyed creating your fabulous pieces of artwork!

A huge congratulations to our winners in each key stage and overall winner, Harper!

I am already looking forward to next year's competition!

Miss Beth Adamson
