

Prep musicians perform in merit assembly

Each week in merit assembly, some of our fantastic musicians will be showcasing their performance and instrumental skills to the school.

This half term, the Prep School will be treated to a wide variety of duet and solo piano performances from pupils in KS2. To start us off on our first week, Mia and Lottie performed the duet 'Rainbow Reflections' beautifully. They practised extremely hard during their break times to prepare the duet and have certainly set the standard high for our future performers!

Thank you for performing for us and demonstrating some of the ensemble skills you have been learning in your piano lessons. Mia and Lottie also performed their duet at Harrogate competitive Festival of Music at the weekend and gained third place.

You can see a recording of Mia and Lottie's performance by clicking on the link below:
