

Reception's Mother's Day treat

On Tuesday we welcomed all the Reception mums in for a special Mother's Day treat.

To kick start the morning, Reception performed their class assembly to their families and their buddies. Everyone spoke with loud, clear voices and left everyone feeling super proud!

The mummies were then given an extra special Mother's Day treat; the children worked with mummies to decorate a coaster to give to them as a gift, they had pictures in the photo booth and even enjoyed a tasty treat. To end the session, everyone shared a poem they have been learning.

It was a pleasure to see so many happy faces and we hope the mums enjoyed it as much as the children did.
