

High School sports awards

The sports department awarded Autumn & Spring term sports awards in the assembly on Monday. These awards are for pupils who represent Gateways in fixtures. Colours are awarded for excellence and highly commended is awarded for effort and commitment. We awarded 99 envelopes in the assembly and some envelopes contained more than one certificate.

On behalf of the sports department, I would like to thank the pupils for the continued effort and commitment to school sport. Girls football certificates will be awarded in the summer term as there are more fixtures still to play.

Mrs Laura Braithwaite
