

Upper 5 move into fifth gear with revision

Upper 5 have recently completed more timed assessments in English Literature and each pupil understands the need to follow the guidance given in teachers' marking in order to prepare for the summer examinations.

Pupils here are revising by producing timed essay plans, making notes or producing revision cards. Meanwhile those pupils who prefer to share ideas aloud and talk through work have found a space to revise in the way that best suits them. Keep going, Year 11 and good luck!

Mrs Alison McKeefry
