

## Cadet enrolment ceremony

On Tuesday evening this week in the Combined Cadet Force, (CCF) the newest set of recruits from both Horsforth and Gateways schools completed their cadet enrolment ceremony by taking the cadet force promise and receiving their berets from Captain Davies. This took place in the sports hall with some of their parents watching. Before they could receive their berets, the cadets had to pass a test on military knowledge and also had to do a practical test on turnout and drill. Once the official ceremony was completed they put on a fantastic display marching around the sport hall, saluting, turning and halting in unison. Well done to all involved.

By joining the CCF the cadets have a unique opportunity to take part in exciting Army themed training activities and events. These activities focus on building the cadets courage, self-discipline, respect for others, integrity, loyalty and commitment. They are also designed to help develop effective communication skills, confidence, and the feeling of being part of a team with a winning spirit and a sense of pride and achievement.

Congratulations to all the newly appointed cadets, and I look forward to seeing them progress over the coming years.
