## The Gatehouse and Littlegates

GATEWAYS  
SCHOOL

### Little gardeners

This week, the Gatehouse children have been taking good care of the seedlings we planted last week. We looked at some beautiful pansies, and gave them lots of love and care. The children sang a sweet song to them to help the plants grow big and strong. We watered them and drew them too.

The children have also sown some pumpkin seeds and some wild flowers seeds. These will create a butterfly garden for our beautiful bugs to come.

Mrs Santosh Roth and Mrs Sue Drake
