

Great explorers

Pupils in Lower 1 have enjoyed their first week of their new humanities topic 'Great Explorers'. We have delved into the life of Christopher Columbus and found out more about what made him one of the most famous explorers there has ever been! The children worked in small groups to create their own freeze frames, working together to create their own scenery, actions and thoughts or speech bubbles to demonstrate what it may have been like on the boats travelling across to The Americas.

We are looking forward to finding out more about Christopher Columbus and will soon be moving on to learning about another great explorer, Neil Armstrong.

A superb start to Summer term, well done Lower 1!

Miss Beth Adamson and Miss Charlotte James
