

Goldilocks and the Three Bears

This week in Pre-Reception we have had lots of fun looking at our focus story, 'Goldilocks and the Three Bears'.

The children took part in lots of exciting activities, including a bear hunt (where we learnt all about different types of bears), singing and creating actions to the song 'When Goldilocks went to the House of the Bears', and carefully following instructions to make our very own porridge. It tasted just right!

As we have been thinking about how each bowl of porridge tasted in the story, our wow word this week was 'temperature'. We have also thought about how the temperature changes outside as the seasons change.

Have a great weekend.

Miss Gabrielle Bull
