

GCSE & A Level art exhibition

Image featured above is from the 2023 exhibition, as we cannot share any images from this year's exhibition yet, due to JCQ rules.

On Wednesday we held a private viewing of our annual GCSE and A Level art exhibition, to the friends and family of our Upper 5 and 6 pupils whose work was featured. The work on display included a range of paintings, drawings, photography and textile installations, fashion garments and 3D pieces.

The catering staff put on a lovely spread of canapes and wine for our guests which were delicious and we had some pupils playing the piano which added to the atmosphere. What a fabulous ending to the art course. Well done Upper 5 and 6!

Photos from the 2024 exhibition will be shared in October.
