

## Flag quiz winners

Last week as part of our International Day festivities, the Prep School took part in a flag quiz. The standard of entries was impressive and our lucky winners were chosen at random from the dozens who were awarded full marks.

So, congratulations to our three budding vexillologists, Josh from Key Stage 1, Harry from Lower Key Stage 2 and Ollie from Upper Key Stage 2. As reward for knowing their maple leaves from their tricolours and their stars and stripes from their Papal keys, they were awarded with the whole world (albeit in inflatable form). And chocolate!

Well done to everyone who entered; the enthusiasm, engagement and knowledge was just what we have come to expect from our children and we hope they enjoyed the competition.
