Reception get creative

This week's art lesson was all about using our imagination and thinking outside the box. The children were given a selection of recycling items and a variety of materials to plan, create and construct anything of their choice. They worked in pairs to make, build and decorate their own recycling masterpiece. Some of the ideas included; monster trucks, boats, handbags and a crab!

It was fabulous to see the children working together and sharing ideas and thoughts and giving their peers feedback - well done!
