

## Some ink-credible art

With exam season well underway, it is as important as ever that pupils reserve time to decompress and enjoy some quiet time pursuing their hobbies. One pupil in particular, Hashim in Upper 3, has turned his hand to some beautiful artwork in his spare time and his pieces are as plentiful as they are intricate.

Hashim can often be found, surrounded by pens and pencils, working on his latest drawing and has spent time this week answering some questions about his impressive pictures.

### **How long have you been drawing like this and what first got you into it?**

*I have been drawing for as long as I can remember. What got me into it was the Mr Men and Little Miss art style. I just loved the simplistic art and soft colours.*

### **What is your favourite thing to draw?**

*My favourite thing to draw is Undertale. Undertale is a pixel game where you choose whether to fight or have money. There are three games: 'Pacifist', 'Neutral', and 'Genocide'.*

### **What inspires your work?**

*My mum is my biggest inspiration. She has always been by my side every step of my journey.*

### **Do you have any plans to include your talent in your future career?**

*I hope to become a logo designer for companies. I even created my own YouTube profile for my art!*

Keep it up Hashim; your work is art-solutely fabulous!
