

Individual music competition 2024

I thoroughly enjoyed listening to over 45 performances in the individual music competition on Thursday 9th May. There are so many talented musicians in the High School and we heard piano, flute, guitar, trumpet, drum kit, bass guitar, violin and vocal performances.

Mr Champken, one of our music teachers and a very accomplished musician, was our adjudicator this year and the well-prepared pupils made his job very difficult. A special mention should go to our winners but it is worth remembering that this is just one person's opinion on the day and everyone should be immensely proud of their achievements!

The winners were : Warren T; Emilia F; Ruby Y; Alya K; Chiara S; Malaika A-B; Ruby F; Balraj B; Alex G. The medals and feedback forms will be handed out in house assembly.

Below are some more photographs from the day.
