

## House challenges

This week there have been a series of house challenges going on at lunchtime where pupils can drop in to win points for their houses. Attendance at each of the challenges has been excellent and kept me busy all lunchtime! On Thursday we had a penalty shoot-out challenge. A big thank you to Mr Holmes and Mr McMillan for giving up their time to have balls kicked at them for an hour!

Also this week we have had a snooker challenge, a Yahtzee dice-style challenge and a bean bag throwing challenge (see pictures below). The week culminates with an archery challenge on Friday. Lots of points have been accumulated for each house and keeps the race for the house cup very much alive!
