Jack and the Beanstalk

Our focus story this week was Jack and the Beanstalk. The children have enjoyed playing with a giant knife and fork in our new role play area, the Giant's castle!

We have also been measuring beanstalks using mathematic counting cubes as part of our focus activity.

As the sunshine has finally decided to come out, we have managed to go on several walks and have had lots of fun playing with the water in our garden. We have been planting our own beanstalk for the class to watch and take care of.

Have a great weekend.

Mrs Naomi Jackson
