

Individual music competition 2024

Pre-Grade 1, LKS2

Mr Lenihan and I thoroughly enjoyed listening to over 65 performances in the Prep individual music competition on Thursday 23rd May. There were so many talented musicians and we heard some superb piano, cello, flute, guitar, clarinet, drum kit, violin and vocal performances.

Mr Lenihan was our adjudicator this year and he had a very difficult job choosing a winner from the confident and accomplished performances in each grade category. Well done to all our fantastic winners! And a huge well done to all Prep children who competed on the day, everyone should be immensely proud of their achievements. It was so wonderful to watch you all perform.
