

Drama examination success

Pupils from Upper 3 to Lower 5 are delighted after receiving an impressive set of results for their recent drama examinations. Exams taken ranged from grade 3 – grade 6 with 28 pupils taking part; 26 of them received the highest award possible, Distinction and another 2 gaining a high Merit!

Each pupil put their heart and soul into their performance, and I am incredibly proud of them. The feedback on their reports is outstanding, vocally each student was complemented on their clarity and projection along with exceptional physicality, staging of the scene and facial expression which fully reflected their characters emotions. Excellent understanding of modulation, subtext, context and the social and historical impact when developing their character. It was evident that all pupils had done thorough research.

Congratulations, thanks for all your hard work!

Miss Lynne Malone
