

## The Importance of Being Earnest theatre trip

On Wednesday 26<sup>th</sup> June, Lower 5 GCSE and Lower 6 A Level drama pupils excitedly boarded the mini bus and headed to the Royal Exchange Theatre in Manchester to watch Oscar Wilde's hilarious comedy of manners 'The Importance of Being Earnest'.

The play was directed by Josh Roche, he chose to give a fresh, modern look to the play. This timeless tale of identity, opulence and sharp-tongued wit follows the lives of the rich and ridiculous, all looking for something to do, someone to love and somewhere to belong.

Pupils really enjoyed the experience. Avani and Millie will be directing and performing an extract from the play for their A Level performance examination. This is something I will be looking forward to greatly.
