

## Gateways Got Talent!

On Monday afternoon the whole of the Prep School were treated to a fantastic array of performances put on by this year's talent show participants from Lower 2, Upper 2 and Lower 3.

Mr Woodfine (and his spectacular hat) hosted the fun-filled event whilst Nurse Diane, Chef Wayne and Prep's own Miss Kirk, did the honour of being our guest judges. The audience was treated to a range of talents from dance routines to poetry (and everything in between). All of which they thoroughly enjoyed.

Once the performances were wrapped up, it was time for the Prep staff to submit their votes whilst the children waited with bated breath for the winners to be announced.

A huge well done to all the Lower 2, Upper 2 and Lower 3 children who performed. It takes a lot of courage to stand up in front of an audience and deliver something you have put together all by yourself but every single child did amazingly well and should be incredibly proud of themselves.
