Sports Awards Evening

On Monday this week, we held our annual sports awards evening. The pupils use this opportunity to wear their best dresses and suits and enjoy an evening of celebration with their peers and teammates.

The pupils started their evening with dinner in the dining room and I am told there was lots of singing and fun had by all before entering the PAC for the awards ceremony. The parents also enjoyed some delicious canapes and drinks before joining us in the PAC to congratulate and applaud the prize winners.

Before we awarded the trophies, nominated speakers gave their account of sport from the academic year. This year Lola, Emilia, Jay, Tariq, Maddie, Isabella, Alfie, Jacob, Millie and Lucy all gave fabulous speeches, making them specific to each sport and congratulating individuals on their efforts and excellence. Their resilience to stand and speak in front of a full PAC is incredible and I am always in awe of their confidence.

At this event we award sportswoman and sportsman of the year and sports team of the year. This year, Leah was awarded sportswoman of the year and Alfie was awarded sportsman of the year. The team of the year went to the U13 girls hockey team for winning all their matches and finishing 3rd in the IN2 tournament.
