

Hot seating in Lower 2

In Lower 2, we have been uncovering the True Story of the Three Little Pigs. Contrary to popular belief, the Wolf may not be as big and bad as we once thought! The children have been channelling the characters by creating questions to find out more information about what has happened in the story. Grace played a very convincing Grandma, who was broken hearted over the unlawful imprisonment of her Grandson. Daisy on the other hand, portrayed the Third Pig's anger brilliantly. She will not stand for the treason that has occurred!

I look forward to seeing the courtroom debate that will follow next week. Is the Wolf innocent or guilty? There's only one way to find out, stay tuned!
