

Sports Awards 24th June 2024

Monday evening saw a celebration of all sports and the chance to review the progress made across the full school year. Individual awards were given out for rugby, football and cricket and then the Team of the Year was announced, this year the Under 11 Girls Cricket Team being recognised for their undefeated summer term.

One of the highlights was undoubtedly the speeches from our Lower 3 pupils. Ruby and Lottie gave a wonderful account of the girls' sports and were followed by an equally adept address from Rupert and Lucas.

An excellent turnout brought a fitting audience to a fantastic year of Prep sport.

Award winners
