

## Trackit Lights in Prep

## TRACKIT LIGHTS

We are excited to announce the launch of Trackit Lights this week!

Pupils from Reception to Lower 2 have collectively earned 1386 green points for their positive behaviour in just one week!

Pupils are awarded green points for a wide range of positive actions relating to our school ethos of Growth, Wellbeing and Success. Each week, two children will be selected to receive a merit certificate in recognition of their positive behaviours during lesson. Children will also receive a range of rewards including stickers and badges.

Once a month, a special reward of a postcard home will be awarded. This will be selected randomly from children who have had a positively green month.

Keep up the super work everyone!

Miss Jade Preston and Mrs Heather Hallam
