

Upper 3 residential to Lockerbie Manor

Upper 3 enjoyed three activity packed days in very sunny Lockerbie for their residential last week. The aim of the residential is to provide the opportunity for new friendships to form and encourage a sense of team to develop. Pupils took part in lots of activities over the three days which included canoeing, kayaking, zip wire, climbing, abseiling, raft building, team initiatives, orienteering and a night walk. While on the night walk, we were very lucky as we were able to view the sunset on one side of the hill and the harvest 'super' moon rising on the other!

Thank you to Mrs Hamlyn, Mrs Johnson, Miss Brotherton and Mr Bahcaci for accompanying Upper 3 on their first High School residential.

Mrs Sara Holmes
