

Lower 1's trip to Abbey House Museum

On Wednesday Lower 1 had a fun-filled day out at Abbey House Museum in Kirkstall. We were treated to a toys workshop and got to explore the museum with our friends. In our workshop we got to see (and play with!) lots of old toys including puppets, teddy bears, dolls, cup and balls, yoyos and lots more! We also enjoyed looking around the Victorian streets, shops and houses and seeing how things have changed!

Well done Lower 1, it was a super day out and all your teachers are very proud of you! Please scroll down for more photos of our trip.

Miss Charlotte James and Miss Aoife Pearce
