

Prep School poetry speaking competition

To celebrate National Poetry Day this year, we have once again enjoyed our poetry speaking competition. Every child had go at learning and reciting a poem and we chose some finalists for our Prep School poetry celebration in the PAC. We loved every single performance, from Reception's group poem about hiding hedgehogs to Lower 3 and their claims about the state of the staff room!

The winners in Key Stage 1 were Harris and Romily, the Key Stage Two prize went to Frankie and the trophy for the best overall performance went to Harper, Sophia and Gwen for a superb group recitation. Well done everyone!

Ms Kate Stewart
