

## DT enrichment club - A Midsummer Night's Dream props

In preparation for our 'A Midsummer Night's Dream' production, Key Stage 3 pupils have been creating decorative props as part of the DT enrichment club. Pupils have been hard at work laser cutting, colouring and sticking paper and card to create a variety of flowers, leaves, bees, butterflies and ladybirds to help create an eye-catching woodland theme which has contributed towards the magic of our school production.

A special shout out to Ben, Rina, Grace, Lily, Haley, Isla, Harriet, Poppy, Lucy and Maia for their amazing work over the course of this term. Great work!

Mrs Sarah Hazelden
