U12 & U13 Netball V Roundhay U12 Won 14-13 U13 Won 21-8

The U12 & U13 netball teams played friendly matches against Roundhay. Both matches were fast paced with excellent athleticism on display. Gateways had much of the possession but unfortunately were pulled for footwork in the opposition's half, denying them of more goals. The ball down the court was like a pin ball, moving from player to player and into the shooters. On occasions, the ball moved too quickly meaning our players were off balance, throwing the ball away, however this made sure all the girls attempted interceptions, trying to win the ball back.

The U13 team threw some excellent balls to Amelia in the circle, who shot some super goals, this contributed to the significant goal difference between the teams. The U12 team worked hard throughout the court to keep the ball safe and to keep it in their possession. They also passed the ball well round the circle, giving Lottie and Ivy time to find the space in the circle. It was a little nerve-wracking in the last minute as they lost their centre pass so had to work hard to score the final goal, winning the game. Player of the Match as voted for by the opposition was Ivy.
