

## Lower 3 – visit to the Royal Armouries

Lower 3 spent the day at the Royal Armouries learning about all manner of things that go bang, boom, thwack and twang and having a great time into the bargain. As well as examining the Second World War exhibit in some depth, they also embarked upon a treasure hunt that took them from the Bronze Age to the present day via Samurai, renaissance swordplay, armoured elephants and an array of surprisingly lethal umbrellas.

The children also experienced a variety of live demonstrations and were able to handle a variety of weapons from the periods of history they have studied during their time in Prep.

They were a credit to the school, behaving responsibly and approaching the activities, demonstrations, exhibits and the day in general with curiosity and enthusiasm.

Mrs Alex Arundale, Mr Martin Davison, Mr Matthew Hayes and Mr David Woodfine
