

Wonderdome

This week, Lower 3 had the exciting opportunity to travel into space, all from the comfort of the Wonderdome! Here they learnt all about our solar system, discovering fascinating facts about the planets that make up the Milky Way, the astronauts that landed on the moon, and super-massive black holes. They had the chance to have their questions answered by an expert and left the session with a sense of wonder and awe.

Mrs Alex Arundale, Mr Matthew Hayes, and Mr Dave Woodfine
