

Upper 2 – a week at the theatre

This week Upper 2 have been on a theatre extravaganza.

With our theatre critic hats on, we started our theatregoer experience with a trip to see Reception's magical nativity. We saw our buddies shine on stage with some amazing performances. We definitely picked up some singing, acting and staging tips to prepare us for our end of year production.

We then continued our watching marathon with a visit from the magnificent KS1 acting troupe. Our second nativity in as many days proved to be a great watch. Again, the Upper 2 critics scored it highly, noting the wonderful performances and dramatic techniques and delivery as the highlights.

Our final act was to attend the pantomime at the Leeds City Varieties - Jack and the Beanstalk. Upper 2 donned their reviewer hats once more to analyse the performance. Some say it delivered a perfect blend of slapstick humour and heartwarming moments, with standout performances from the dame that had children and adults alike rolling in the aisles. We're now fully ready to deliver the performance of a lifetime at the Carol Concert on Tuesday.
