

Sports Report 20/01/2025

Seniors Netball v Roundhay

The girls had a tough game against Roundhay seniors' girls. With only 7 players, many of the team had to play out of position which proved a challenge when trying to shoot. Although the overall result didn't go in our favour, the girls really enjoyed the experience and both teams played with fun and enjoyment. It was nice to see the girls supporting Roundhay with positioning, footwork and passing choices throughout the game.

We look forward to playing them in future matches across all our High School year groups.

Miss Jade Preston

U14 Boys Basketball v Ashville

We started the game brightly, scoring early and taking an encouraging lead. However, Ashville responded strongly, using some impressive mid-range shooting to close the gap and pull ahead.

Our team played with great energy, showing excellent rebounding and ball movement throughout the game. With a large squad, we ensured everyone got game time, which provided valuable experience but at times impacted our defensive cohesiveness.

In the fourth quarter, we finished strong with Tariq, Sam, and Leo leading the scoring efforts. Despite a spirited performance, the game ended 44-28 in Ashville's favor. While it was a loss, there were many positives to take away from competing against such a strong team. The experience will only help us grow and improve as a squad.

Well done to all the players for their effort!

Mr Tom Davidson

High School & Sixth Form
