

## Enjoying our wonderful natural surroundings with running club

After an icy start to 2025, our running club is back in action, enjoying the beautiful countryside in Harewood. It was great to see so many members continuing with us this term and starting the new year with a healthy lunchtime activity. We currently have members attending from Upper 3 all the way to Lower 6. Our Upper 5 members have been with us since Upper 3 and they find running hugely beneficial, especially during mock examination times.

We have a friendly, welcoming approach to running and new members can join when a place becomes available.

Last term, thanks to the support of our pupils and parents, our Winter Fun Runs raised £920 for Cancer Research UK. We hope to have more community running events in 2025!

Mrs Marae Burns
